Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Cooling System: Water Cooled
- Speed: 1500/1800 RPM
- Operation Mode: Automatic/Manual
- Efficiency: High
- Installation: Easy
- Warranty: 1 Year
- Brand: Cummins
- Fuel: Diesel
- Highlight: Automatic Cummins Diesel Generator, 200kva Cummins Diesel Generator, Cummins 5kva Automatic Generator

Product Description

Product Description:

Cummins Diesel Generator Set is the perfect choice for customers looking for a high-efficiency, low-noise, and easy-to-install generator set. This diesel generator set is built with the Cummins brand, renowned for its durability and reliability. The Cummins Diesel Generator Set offers 1500/1800 RPM speed, making it one of the most efficient diesel gensets available on the market today. It is also designed to produce less noise than other models, providing you with a quiet, comfortable environment. Furthermore, the Cummins Diesel Generator Set is easy to install and requires minimal maintenance. With its high efficiency, low noise level, and easy installation, Cummins Diesel Generator Set is the ideal choice for your power needs.

Features:

Product Name: Cummins Diesel Generator

Type: Diesel Genset

Noise Level: Low

Brand: Cummins

Fuel: Diesel

Warranty: 1 Year

Technical Parameters:

Product Attribute	Value
Installation	Easy
Speed	1500/1800 RPM
Efficiency	High
Frequency	50/60 Hz
Brand	Cummins
Noise Level	Low
Starting System	Electric Start
Operation Mode	Automatic/Manual
Cooling System	Water Cooled
Fuel	Diesel

Applications:

Cummins Diesel Generator, with the brand name Minlong, offers a reliable and efficient power generation solution for a variety of applications and scenarios. This generator is certified to meet ISO9001 standards, and is available in a minimum order quantity of one. The price is negotiable, and the generator is packaged in a wooden case for easy transportation. Delivery time is usually 10-15 days, and payment can be made via L/C, D/A, D/P, T/T, Western Union, or MoneyGram. The generator has the capacity to generate 1000 pieces per week, and operates at a frequency of 50/60 Hz, and speed of 1500/1800 RPM.
