

Marine Cummins Diesel Generator Automatic Control Generator

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Warranty: 1 Year
- Frequency: 50/60 Hz
- Noise Level: Low
- Operation Mode: Automatic/Manual
- Efficiency: High
- Installation: Easy Installation
- Type: Diesel Generator
- Control System: Automatic Control
- Highlight: **Easy Installation Cummins Diesel Generator, Automatic Cummins Diesel Generator, Minlong cummins marine generator**

Product Description

Product Description:

Cummins Diesel Generator Set is a reliable and efficient source of power for any application. Featuring advanced Cummins diesel engine technology and a robust design, these gensets are designed to provide reliable power with high efficiency. The electric start system ensures easy starting, while the 50/60 Hz frequency ensures smooth operation. This Cummins Diesel Genset is designed for reliable and efficient power generation, making it the perfect choice for any application.

The Cummins Diesel Generator Set is designed to offer superior performance and reliability, with a design that is built to last. Its advanced Cummins diesel engine technology is designed to maximize efficiency while the robust design ensures reliable operation. The electric start system ensures easy starting and the 50/60 Hz frequency ensures smooth operation for reliable power generation. This Cummins Diesel Generator Set is the perfect choice for any application requiring a reliable and efficient source of power.

Features:

Product Name: Cummins Diesel Generator

Control System: Automatic Control

Noise Level: Low

Operation Mode: Automatic/Manual

Brand: Cummins

Efficiency: High

Diesel Generator Set: Cummins Diesel Genset

Diesel Generator Set: Cummins Diesel Generator

Technical Parameters:

Product Attributes	Details
Type	Diesel Generator
Brand	Cummins
Installation	Easy
Cooling System	Water Cooled
Noise Level	Low
Fuel	Diesel
Operation Mode	Automatic/Manual
Frequency	50/60 Hz
Warranty	1 Year
Efficiency	High

ABOUT US

Guangdong Minlong Mechanical and Electrical Equipment Co., Ltd. was established in 1995.

Its headquarters is located in Foshan, Guangdong, the world power generating unit manufacturing base in the Pearl River Delta, which is the most developed in China. There are many branches and agencies in China.

The company has passed the international quality certification system of ISO 9001:2000 and international environmental protection certification ISO 14001:2004. One of the earliest generator experts in Southeast

Asia and South China devoted to generator power system equipment.

Global Joint Insurance of One Penalty and Ten Penalties for Anticounterfeiting and Counterfeiting of New Brands of the Original Factory.

Our main product is diesel generator set. The production brands include the world famous brands such as Perkins Cummins Yuchai Co., Ltd., Shanghai Co., Ltd., MinLong electromechanical Co., Ltd. and so on. Our products are all copper brushless motor. Achieve a minimum noise level of 60 dB on low noise systems. The price is the best in the same quality. The quality is the best within the same price.

Applications:

Cummins Diesel Generator Set produced by Minlong is a reliable power solution for any application. With ISO9001 Certification, it is guaranteed to the highest quality standards. It is packed in a wooden case and it has a 10-15 days delivery time.

In terms of payment, customers have the choice of L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability of Cummins Diesel Generator is 1000 pieces per week and it has a high efficiency. The starting system is electric start and it has a 1 year warranty.

Cummins Diesel Generator Set is the perfect solution for any project that requires reliable, efficient and cost-effective power. Minlong Brand and ISO9001 Certification ensure that customers get the best quality product possible. The 10-15 days delivery time and 1000 pieces per week supply ability make it a great choice for any project.

Customization:

We offer Cummins Diesel Generator Set with high efficiency and 50/60 Hz frequency, fueled by diesel and water-cooled. It is of Minlong brand, certified by ISO9001, and comes with a wood case. The minimum order quantity is 1 piece, price is negotiable. Delivery time is 10-15 days, payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram, and we can supply up to 1000 pieces per week.

Support and Services:

Cummins Diesel Generator provides technical support and services to ensure that customers receive the best service.

We offer a wide range of services including:

- Installation and commissioning
- Remote and on-site troubleshooting and maintenance
- Technical training and advisory services
- Parts supply and inventory management
- Consultation and system design

Our team of experienced technicians are available 24/7 to provide customers with timely and effective support. We are committed to providing a reliable and high-quality service to ensure that customers have a satisfactory experience with our products.

Packing and Shipping:

Cummins Diesel Generator Packaging and Shipping:

The generator will be securely packaged to ensure no damage during transit.

The generator will be shipped via a reputable and reliable carrier.

The generator will be shipped with tracking information for convenience.

Delivery will be made within the agreed-upon time frame.

FAQ:

Q1: What is the brand of Cummins Diesel Generator?

A1: The brand of Cummins Diesel Generator is Minlong.

Q2: Where is the Cummins Diesel Generator manufactured?

A2: The Cummins Diesel Generator is manufactured in China.

Q3: Does the Cummins Diesel Generator have ISO9001 certification?

A3: Yes, the Cummins Diesel Generator has ISO9001 certification.

Q4: What is the minimum order quantity of Cummins Diesel Generator?

A4: The minimum order quantity of Cummins Diesel Generator is 1.

Q5: How is the Cummins Diesel Generator packaged?

A5: The Cummins Diesel Generator is packaged in a wood case.
