

Electric Start Diesel Generator Set Easy Installation 50/60 Hz

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Noise Level: Low
- Starting System: Electric Start
- Operation Mode: Automatic/Manual
- Efficiency: High
- Control System: Automatic Control
- Frequency: 50/60 Hz
- Cooling System: Water Cooled
- Type: Diesel Generator
- Highlight: Start Diesel Generator Set,
Electric Diesel Generator Set,
60 Hz Automatic Diesel Generator

Product Description

Product Description:

Cummins Diesel Generator sets are renowned for their high quality and reliable performance. With water cooling system, they are designed to operate on diesel fuel and can be operated in both automatic and manual modes. With electric start, these Cummins Diesel Gensets offer easy and fast starting. All our Cummins Diesel Generator sets are known for their durability, efficiency and reliability, making them the perfect choice for any application.

The Cummins Diesel Generator sets are designed to provide reliable and efficient power for multiple applications. They feature a water cooled system that helps to keep the engine running at optimal temperatures. Moreover, these generator sets are available with either manual or automatic operation, allowing you to choose the one that best suits your needs. The electric start system makes starting up these generator sets an effortless task, allowing you to quickly and easily get the power you need.

At Cummins, our commitment to quality and reliability is unparalleled. Our generator sets are designed to meet the highest standards and are backed by our comprehensive warranty. All our Cummins Diesel Generator sets are designed to provide you with reliable, efficient power, making them the perfect choice for any application.

Features:

Product Name: Cummins Diesel Generator

Warranty: 1 Year

Fuel: Diesel

Brand: Cummins

Frequency: 50/60 Hz

Noise Level: Low

Technical Parameters:

| Attribute | Value |
|-----------------|-------------------|
| Operation Mode | Automatic/Manual |
| Starting System | Electric Start |
| Speed | 1500/1800 RPM |
| Control System | Automatic Control |
| Type | Diesel Generator |
| Frequency | 50/60 Hz |
| Cooling System | Water Cooled |
| Warranty | 1 Year |
| Brand | Cummins |
| Fuel | Diesel |

Applications:

Cummins Diesel Generator Set manufactured by Minlong is certified with ISO9001 and its minimum order quantity is 1. It is delivered in a wood case within 10-15 days after payment. The payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. It has a supply ability of 1000 pieces per week. It runs on diesel fuel and has a warranty of 1 year. It has a frequency of 50/60 Hz and is equipped with an automatic control system and a water cooled cooling system.

Minlong Cummins Diesel Generator Set is perfect for a variety of applications such as emergency power backup, off-grid power generation, construction sites, agricultural operations, mining activities, manufacturing plants, telecommunications, and much more. It is suitable for both indoor and outdoor settings and is known for its reliable performance, high efficiency, low fuel consumption, high-quality components, and low operating cost.
