

Diesel Generator Set 10kva single phase generator

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Control Panel: Automatic/Manual
- Warranty: 1-2 Years
- Cooling System: Air/Water
- Voltage: 220V-440V
- Power: 10kW-1000kW
- Maintenance: Easy
- Fuel Consumption: Low
- Protection System: Voltage/ Frequency/ Temperature/ Oil Pressure/ Overload
- Highlight: **Air 10kva generator single phase,
Diesel 10kva generator single phase,
10kva single phase generator**

Product Description

Product Description:

The Cummins Power Diesel Generator is a high-quality, open silent type diesel generator set. It is equipped with a reliable cooling system, with both air and water available, which ensures efficient heat dissipation. It also comes with a comprehensive protection system that monitors voltage, frequency, temperature, oil pressure, and overload. Additionally, this generator set is designed to produce very low noise levels, making it an ideal choice for residential use. Furthermore, this silent type diesel generator is capable of providing users a voltage range of 220V-440V and is powered by diesel fuel for maximum performance.

Features:

Product Name: Silent Diesel Generator
Frequency: 50Hz/60Hz
Operation Time: Long
Voltage: 220V-440V
Fuel: Diesel
Fuel Consumption: Low
Silent Type Diesel Generator
Open Silent Type Diesel Generator

Technical Parameters:

Parameters	Description
Type	Silent Diesel Generator, Open Silent Diesel Generator, Silent Diesel Generator Set
Voltage	220V-440V
Power	10kW-1000kW
Starting System	Electric/ Manual
Control Panel	Automatic/ Manual
Maintenance	Easy
Cooling System	Air/ Water
Warranty	1-2 Years
Protection System	Voltage/ Frequency/ Temperature/ Oil Pressure/ Overload
Fuel	Diesel

Applications:

Minlong brand is a professional manufacturer for Cummins Power Diesel Generator, Silent Type Diesel Generator, Open Silent Type Diesel Generator, Low Noise Diesel Generator. All the products have ISO9001 certification and are produced in China. The minimum order quantity is 1 and the price can be negotiated. The delivery time is 10-15 days and payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. The package is wood case and the supply ability is 1000 pieces per week. The Silent Diesel Generator has air/water cooling system, automatic/manual control panel and voltage/ frequency/ temperature/ oil pressure/ overload protection system. The noise level is low.

Customization:

Silent Diesel Generator
Brand Name: Minlong
Place of Origin: China
Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Supply Ability: 1000 pieces per week

Power: 10kW-1000kW

Cooling System: Air/Water

Warranty: 1-2 Years

Frequency: 50Hz/60Hz

Type: Silent Diesel Generator

Cummins Power Diesel Generator

Minlong's Cummins Power Diesel Generator is a silent type diesel generator, with power ranging from 10kW to 1000kW. It is equipped with air/water cooling system and ISO9001 certification. It comes with 1-2 years warranty and 10-15 days delivery time. The minimum order quantity is 1, and the packaging is wood case.

Open Silent Type Diesel Generator

Minlong's Open Silent Type Diesel Generator is a silent type diesel generator, with power ranging from 10kW to 1000kW. It is equipped with air/water cooling system and ISO9001 certification. It comes with 1-2 years warranty and 10-15 days delivery time. The minimum order quantity is 1, and the packaging is wood case.

Silent Type Diesel Generator

Minlong's Silent Type Diesel Generator is a silent type diesel generator, with power ranging from 10kW to 1000kW. It is equipped with air/water cooling system and ISO9001 certification. It comes with 1-2 years warranty and 10-15 days delivery time. The minimum order quantity is 1, and the packaging is wood case.

Support and Services:

Silent Diesel Generator Technical Support and Service

We are dedicated to providing the highest quality technical support and service for our Silent Diesel Generator products. Our team of experienced and knowledgeable technicians is available around the clock to answer any questions and to provide assistance with troubleshooting and repairs. We also offer a full range of preventative maintenance services, including oil and filter changes, belt and hoses inspections, and fuel system cleaning.

If you need any assistance with your Silent Diesel Generator product, please don't hesitate to contact us. We are here to help!

Packing and Shipping:

Packaging and Shipping

Silent Diesel Generator is securely packaged and shipped with the utmost care to ensure it arrives safely. It is shipped in a cardboard box with foam padding to protect it from any shock, vibration, or weather damage.

The box is labeled with fragile stickers and clearly marked with the destination address. We also provide tracking information for every shipment to ensure the product is delivered on time and in perfect condition.

FAQ:

Q: What is the brand name of the Silent Diesel Generator?

A: The brand name is Minlong.

Q: Where is this Silent Diesel Generator manufactured?

A: This Silent Diesel Generator is manufactured in China.

Q: Does the Silent Diesel Generator have ISO9001 certification?

A: Yes, the Silent Diesel Generator has ISO9001 certification.

Q: What is the minimum order quantity of the Silent Diesel Generator?

A: The minimum order quantity of the Silent Diesel Generator is 1.

Q: How much does the Silent Diesel Generator cost?

A: The price of the Silent Diesel Generator is negotiable.
