

## High Output Perkins Diesel Power Generator 100kva 75dBA Noise Level

Our Product Introduction

For more products please visit us on [diesels-generators.com](http://diesels-generators.com)

### Basic Information

- Place of Origin: China
- Brand Name: Minlong

### Product Specification

- Control System: Automatic
- Speed: 1500rpm
- Weight: 3000kg
- Power Output: 1000kW
- Engine Brand: Perkins
- Cooling System: Water Cooled
- Starting System: Electric
- Warranty: 1 Year
- Highlight: **High Output Perkins Diesel Power Generator ,  
75dBA Perkins Diesel Power Generator ,  
Perkins Generator 100kva**

## Product Description

### Product Description:

The Perkins Diesel Generator is an advanced diesel electric generator set boasting a durable design and high output. It is fitted with a 400V voltage system, and runs on diesel fuel with a 1000L tank capacity, providing up to 1000kW of power. It is also equipped with a water cooled cooling system for efficient temperature control. This high quality generator is a reliable and efficient solution for any power needs.

### Features:

Product Name: **Perkins Diesel Generator**

Heavy Duty Diesel Generator with **1000L Fuel Tank Capacity**, **1500rpm Speed**, **75dBA Noise Level**, **50Hz Frequency** and **Perkins Engine Brand**

Durable Diesel Generator Set for **High Output** Power Generation

### Technical Parameters:

Attribute	Value
High Output Diesel Generator	Yes
Advanced Diesel Electric Generator	Yes
Starting System	Electric
Engine Brand	Perkins
Fuel Type	Diesel
Fuel Tank Capacity	1000L
Noise Level	75dBA
Control System	Automatic
Speed	1500rpm
Weight	3000kg
Voltage	400V
Cooling System	Water Cooled

### Applications:

Minlong Perkins Diesel Generator is a heavy duty diesel generator set with superior durability. It is made in China and has a weight of 3000kg. It features a 50Hz frequency and a water cooled cooling system that maintains the generator's optimal temperature. It is designed to operate on a voltage of 400V and is powered by a Perkins engine. This reliable and powerful generator set is perfect for a wide range of applications, such as emergency power supply, construction sites, and remote areas.

### Customization:

Durable Diesel Generator Set, Heavy Duty Diesel Generator, Heavy Duty Diesel Generator Set

Brand Name: Minlong

Place of Origin: China

Starting System: Electric

Weight: 3000kg

Fuel Tank Capacity: 1000L  
Control System: Automatic  
Noise Level: 75dBA

### Support and Services:

Perkins Diesel Generator provides a variety of technical support and service for customers. Our experienced technical staff can provide comprehensive technical support, from troubleshooting and diagnosis to technical advice and programming. We also offer an extensive selection of spare parts for Perkins Diesel Generator products. In addition, our team of qualified service technicians can provide onsite installation, maintenance and repair services. We also provide remote support services, allowing customers to access our technical support team from any location.

### Packing and Shipping:

Perkins Diesel Generator is packaged and shipped in accordance with the highest industry standards. All components are protected with thick foam and bubble wrap. The generator is placed inside a reinforced cardboard box and secured with tape. The box is then placed inside a larger shipping box, filled with more foam and bubble wrap, and labeled with the appropriate information. All packages are inspected and tested to ensure that the generator is delivered in perfect condition.

### FAQ:

Q1:What is Perkins Diesel Generator?

A1: Perkins Diesel Generator is a generator set brand of Minlong, China. It is a reliable and efficient generator set specially designed for various kinds of power generation.

Q2:What is the power range of Perkins Diesel Generator?

A2: The power range of Perkins Diesel Generator is from 5kVA to 2000kVA.

Q3:What type of fuel can be used in Perkins Diesel Generator?

A3: Perkins Diesel Generator can use diesel as fuel.

Q4:What kind of service does Minlong offer for Perkins Diesel Generator?

A4: Minlong provides a comprehensive range of services for Perkins Diesel Generator, including commissioning, maintenance and repair.

Q5:Where can I buy Perkins Diesel Generator?

A5: You can buy Perkins Diesel Generator from Minlong's authorized dealers.
