

Advanced Diesel Electric Generator Water Cooled System Perkins Power Generator

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong

Product Specification

- Engine Brand: Perkins
- Cooling System: Water Cooled
- Control System: Automatic
- Speed: 1500rpm
- Weight: 3000kg
- Fuel Tank Capacity: 1000L
- Voltage: 400V
- Warranty: 1 Year
- Highlight: **Advanced Diesel Electric Generator,
Water Cooled Diesel Electric Generator,
Automatic Perkins Power Generator**

Product Description

Product Description:

The Perkins Diesel Generator is a high output, heavy duty, and reliable power solution. Featuring a water cooled cooling system, this generator provides quiet operation with a noise level of only 75dBA. With a weight of 3,000 kg and dimensions of 2,500 mm x 1,500 mm x 2,000 mm, the Perkins Diesel Generator is perfect for a variety of applications. Additionally, this generator is equipped with an electric starting system, making it easy to operate. When you need reliable and powerful power, the Perkins Diesel Generator is the ideal choice.

Features:

Product Name: Perkins Diesel Generator
Fuel Type: Advanced Diesel Electric Generator
Dimensions: 2500mm X 1500mm X 2000mm
Fuel Tank Capacity: 1000L
Starting System: High Output Diesel Generator
Warranty: 1 Year High Output Diesel Generator

Technical Parameters:

Parameter	Value
Product Type	Heavy Duty Diesel Generator
Engine Brand	Perkins Diesel Generator
Power Output	1000kW
Frequency	50Hz
Starting System	Electric
Speed	1500rpm
Fuel Type	Diesel
Fuel Tank Capacity	1000L
Cooling System	Water Cooled
Dimensions	2500mm X 1500mm X 2000mm
Weight	3000kg

Applications:

Minlong Durable Diesel Generator Set – High Output and Heavy Duty

The Minlong Durable Diesel Generator Set is the perfect choice for those who need reliable, long-lasting power. This heavy duty generator set is powered by a Perkins engine and is designed to deliver a maximum output of 400V. It is also designed to offer a 1-year warranty. With a weight of 3000kg, it is extremely durable and reliable.

The dimensions of the Minlong Durable Diesel Generator Set are 2500mm X 1500mm X 2000mm. This allows for a wide range of applications, from powering industrial machinery to providing backup power for critical facilities. This generator set is also suitable for a variety of other industrial and commercial uses.

The Minlong Durable Diesel Generator Set is specifically designed for long-term operation and is guaranteed to provide reliable power for many years. With its high output and heavy-duty construction, it is ideal for a variety of applications, including powering industrial machinery, providing backup power for critical facilities, and other commercial and industrial uses.

The Minlong Durable Diesel Generator Set is the perfect solution for those who need reliable, long-lasting power. With its high output and heavy-duty construction, it is sure to provide reliable power for many years to come. And with its 1-year warranty, you can be sure that this generator set will last for years to come.

Customization:

Perkins Diesel Generator

Minlong's Heavy Duty Diesel Generator powered by Perkins is a reliable source of power for your business. Featuring a 1000kW power output, electric starting system, water cooled cooling system, and a weight of 3000kg, this generator is sure to meet your needs. This Perkins Diesel Generator is built to last with a 1-year warranty. Don't wait any longer and get a Heavy Duty Diesel Generator to power your business today.

Support and Services:

Perkins Diesel Generator provides technical support and service to ensure our customers get the most out of their product. Our technical support team is available 24/7 to answer any questions and provide solutions. We provide a wide range of services, including installation, maintenance, repairs, and troubleshooting. Our team of experienced technicians can provide assistance with any issue, from minor repairs to major overhauls. We also offer preventative maintenance services to ensure your generator is running properly and efficiently.

Packing and Shipping:

Perkins Diesel Generator Packaging and Shipping:

We use strong packaging material to protect the generator during the shipping process. The packaging material includes a wooden box, foam, and protective plastic. The generator is securely fastened to the wooden box to ensure the safety of the product. Once the generator is packaged, it is then shipped via a reliable shipping company.

FAQ:

Q:What is the Brand Name of Perkins Diesel Generator?

A:The Brand Name is Minlong, and it is from China.

Q:What is the fuel type of the Perkins Diesel Generator?

A:The fuel type of the Perkins Diesel Generator is diesel.

Q:What is the size of Perkins Diesel Generator?

A:The size of Perkins Diesel Generator varies from model to model. Please contact us to learn more.

Q:What is the power output of the Perkins Diesel Generator?

A:The power output of the Perkins Diesel Generator ranges from 10KVA to 2000KVA.

Q:What is the warranty period for Perkins Diesel Generator?

A:The warranty period for Perkins Diesel Generator is 1000 hours or 12 months, whichever comes first.
