

1000kW Perkins Diesel Generator 1500rpm Low Noise 75dBA Silent Power Generators

Our Product Introduction

For more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Minlong

Product Specification

- Noise Level: 75dBA
- Power Output: 1000kW
- Cooling System: Water Cooled
- Fuel Type: Diesel
- Warranty: 1 Year
- Fuel Tank Capacity: 1000L
- Control System: Automatic
- Dimensions: 2500mm X 1500mm X 2000mm
- Highlight: **Low Noise Perkins Diesel Generator, 1500rpm Perkins Diesel Generator, Automatic Silent Power Generators**

Product Description

Product Description:

Perkins Diesel Generator is a durable diesel generator set which is designed to deliver high-quality power and unmatched reliability for extended service life. Its Automatic Control System ensures easy operation and monitoring. This generator set is compact, lightweight, and offers excellent fuel efficiency. With a power output of 1000kW and voltage of 400V, it is a perfect choice for large applications. It is designed to run quietly and offers an impressive noise level of 75dBA. With a weight of 3000kg, the Perkins Diesel Generator is highly reliable and provides long-term service for your power generation needs.

Features:

Product Name: **Perkins Diesel Generator**

Starting System: **Electric**

Noise Level: **75dBA**

Speed: **1500rpm**

Engine Brand: **Perkins**

Fuel Tank Capacity: **1000L**

Durable Diesel Generator Set, Heavy Duty Diesel Generator, High Output Diesel Generator

Technical Parameters:

Attribute	Value
Heavy Duty Diesel Generator	Perkins Diesel Generator
Frequency	50Hz
Control System	Automatic
Fuel Type	Diesel
Voltage	400V
Power Output	1000kW
Noise Level	75dBA
Fuel Tank Capacity	1000L
Starting System	Electric
Speed	1500rpm
Warranty	1 Year

Applications:

The **Minlong** Perkins Diesel Generator is the perfect advanced diesel electric generator for any application. It is made in **China** and is designed to produce a high output of **1000kW** of power. The generator is built to be highly durable and reliable, weighing in at a mere **3000kg**. With a **50Hz** frequency, the generator is capable of sustaining longterm operation. The **Automatic Control System** is designed to regulate the diesel engine, ensuring optimal efficiency. The Minlong Perkins Diesel Generator is the perfect choice for any application that requires a high output, durable diesel generator set.

Customization:

Perkins Diesel Generator

Brand Name: Minlong

Place of Origin: China

Dimensions: 2500mm X 1500mm X 2000mm

Fuel Tank Capacity: 1000L

Warranty: 1 Year

Control System: Automatic

Voltage: 400V

Minlong Perkins Diesel Generator provides high output diesel generator with durable performance and reliable control system. It also offers 1 year warranty. Moreover, its fuel tank capacity is 1000L and voltage is 400V.

Support and Services:

Perkins Diesel Generator Technical Support and Service

At Perkins, we provide comprehensive technical support and service for our Perkins Diesel Generators. Our team of experts is available 24 hours a day, 7 days a week to answer any questions you have about your generator.

We provide a wide range of services, including:

Diagnostics and troubleshooting

Repair and maintenance

Parts replacement and upgrades

Installation and commissioning

Our dedicated team is committed to providing the highest level of customer service and support. If you have any questions or need assistance with your Perkins Diesel Generator, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping a Perkins Diesel Generator

Perkins diesel generators require careful packing and shipping to ensure they arrive at their destination safely and in perfect condition. Here are the steps we follow:

We ensure that all components are securely fastened before they are placed in the box.

We use a heavy-duty cardboard box with additional cushioning to protect the generator.

We use a shrink wrap to create an extra layer of protection around the box.

We place the box on a pallet and secure it with straps to ensure it does not become dislodged during transit.

We mark the box with the appropriate shipping labels and documentation.

By following these steps, we are able to ensure that your Perkins diesel generator is safely and securely shipped to its destination.

FAQ:

Q: What is Perkins Diesel Generator?

A: Perkins Diesel Generator is a diesel-powered generator produced by Minlong, a brand from China.

Q: What types of Perkins DieselGenerator are available?

A: Perkins Diesel Generator is available in range of power capacities, from 6 kW to 2000 kW.

Q: How does the Perkins Diesel Generator work?

A: The Perkins Diesel Generator works by converting the energy of diesel fuel into electrical energy.

Q: What are the benefits of Perkins Diesel Generator?

A: The Perkins Diesel Generator provides reliable and cost-effective power supply with low fuel consumption and low noise emission.

Q: What is the warranty period of Perkins Diesel Generator?

A: The Perkins Diesel Generator comes with a one-year warranty.
