Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Phase: Single/Three
- Voltage: 220/380V
- Model: Yuchai Diesel Generator
- Fuel Consumption: Low
- Speed: 1500/1800rpm
- Start Mode: Electric/Manual
- Size: Compact
- Fuel: Diesel
- Highlight: **50Hz Yuchai Diesel Generator,**
60Hz Yuchai Diesel Generator,
Diesel compact silent generator

Product Description

Product Description:

The Yuchai Diesel Generator is a powerful and efficient diesel powered generator unit. It is designed to provide reliable and long-lasting power with low fuel consumption. It features a durable construction and is equipped with an air/water cooling system to ensure its longevity. The generator is lightweight, making it easy to move and transport. With its advanced design and high-performance features, the Yuchai Diesel Generator is the ideal choice for reliable power in a variety of applications. Whether you need a reliable source of power for your home or business, the Yuchai Diesel Generator is the perfect solution. With its low fuel consumption, high durability and lightweight design, the Yuchai Diesel Generator is the perfect choice for any power generation needs.

Features:

Yuchai Diesel Generator: Lightweight, Highly Durable, Powered by Diesel, Low Fuel Consumption, Available in Single/Three Phase

Yuchai Diesel Powered Generator: Lightweight, Highly Durable, Powered by Diesel, Low Fuel Consumption, Available in Single/Three Phase

Yuchai Diesel Powered Unit: Lightweight, Highly Durable, Powered by Diesel, Low Fuel Consumption, Available in Single/Three Phase

Technical Parameters:

Product Attributes	Specifications
Model	Yuchai Diesel Generator
Phase	Single/Three
Frequency	50/60Hz
Cooling System	Air/Water
Voltage	220/380V
Power	10-1000KW
Speed	1500/1800rpm
Durability	High
Start Mode	Electric/Manual
Fuel	Diesel

Applications:

Yuchai Diesel Electric Generator is a reliable and powerful source of energy due to its high quality and comprehensive performance. It is certified by ISO9001 and its speed is up to 1500/1800rpm. It is powered by diesel fuel which makes it more efficient and has a low noise level. Equipped with air or water cooling system it has a power range of 10-1000KW. The minimum order quantity is 1 piece, and we can provide 1000 pieces per week. It is packaged in a wooden case and delivered within 10-15 days. We offer competitive prices and accept payment terms like L/C, D/A, D/P, T/T, Western Union, MoneyGram.

Yuchai Diesel Engine Generator is the perfect choice for those looking for a reliable and powerful source of energy. It is sure to meet all your needs and expectations with its superior quality and performance. It is perfect for use in various applications such as home, office, industrial, and commercial. It is also ideal for emergency power supply and backup power during natural disasters or blackouts. Yuchai Diesel Engine Generator Set is a reliable and cost-effective way to meet all your power needs.

Yuchai Diesel Generator is built with the highest quality materials and components for enhanced performance and durability. It is designed to run smoothly and efficiently, providing reliable power without interruption. It is easy to install and maintain, and comes with a comprehensive warranty for peace of mind. With its low noise level, air or water cooling system, and wide power range, Yuchai Diesel Generator is the perfect solution for all your power needs.

Customization:
