Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Model: Diesel Generator
- Oil Capacity: $\geq 12L$
- Noise Level: $\leq 105dB(A)$
- Frequency: 50/60HZ
- Rated Speed: 1500/1800rpm
- Cooling Mode: Water/Air
- Warranty: 1 Year
- Net Weight: $\geq 1000KG$
- Highlight: **Yuchai Gasoline Standby Generator,
12L Gasoline Standby Generator,
12L Gasoline Standby Generator**

Product Description:

Yuchai Diesel Electric Generator is a reliable and cost-effective power solution for various applications. It has been designed to provide high power output and superior fuel efficiency. With the rated speed of 1500/1800rpm, this generator is capable of delivering up to 1000KW of power. Moreover, it features a cooling system with both air and water cooling options to meet different requirements. The dimension of this Yuchai Diesel Generator can be customized according to the model. Additionally, it is backed by a 1-year warranty and excellent after-sales service.

Features:

Product Name: Yuchai Diesel Generator
Cooling Mode: Water/Air
Brand: Yuchai
Net Weight: $\geq 1000\text{KG}$
Fuel Type: Diesel/Gasoline
Dimension: According To The Model
Yuchai Diesel Powered Generator
Yuchai Diesel Electric Generator
Yuchai Diesel Electric Generator Set

Technical Parameters:

Parameter	Value
Model	Diesel Generator
Net Weight	$\geq 1000\text{KG}$
Rated Speed	1500/1800rpm
Rated Voltage	380V/220V
Cooling Mode	Water/Air
Oil Capacity	$\geq 12\text{L}$
Starting Mode	Electric/Manual
Warranty	1 Year
Fuel Consumption	$\leq 208\text{g/kw.h}$
Frequency	50/60HZ

Applications:

The Yuchai diesel powered generator is a reliable and efficient power supply manufactured by Minlong with ISO 9001 certification. It is designed to provide a fast, safe and low-cost power solution for a variety of applications and scenarios. It has a minimum order quantity of 1 and the price is subject to negotiation. The package is delivered in a wood case and takes 10-15 days to arrive. The payment terms include L/C, D/A, D/P, T/T, Western Union and MoneyGram. A total of 1000 pieces can be supplied per week. The rated speed is 1500/1800rpm and the dimension varies according to the model. The power capacity is from 10KW to 1000KW and it can be started by electric or manual. The rated voltage is 380V/220V. Yuchai diesel generator is a reliable and ideal power solution for residential, commercial and industrial users.

Customization:

Yuchai Diesel Powered Unit is an ideal choice for your power supply needs. It is manufactured by Minlong, a renowned Chinese supplier with ISO9001 certification. The generator unit provides a reliable power supply with a noise level of $\leq 105\text{dB(A)}$ and rated voltage of 380V/220V, and can be used with a frequency of 50/60HZ. The generator can be purchased in minimum quantities of 1 piece, with the price negotiable. It is packed in reliable wood case to ensure its safe delivery, and the delivery time is usually within 10-15 days. The payment terms are flexible, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The generator is supplied in large quantities, with up to 1000 pieces available per week. Invest in Yuchai Diesel Powered Generator and enjoy reliable and efficient power supply.

Support and Services:

Yuchai Diesel Generator Technical Support and Services

We provide comprehensive technical support and service for Yuchai Diesel Generators, including:

- Installation and commissioning
- Expert advice and troubleshooting
- Preventative maintenance
- Spare parts supply
- On-site repair and maintenance
- Training for operators and technicians

Our team of experienced technicians are here to ensure your Yuchai Diesel Generator is running smoothly and efficiently.

Packing and Shipping:

Yuchai Diesel Generator Packaging and Shipping

Yuchai Diesel Generator will be packed and shipped in customized wooden cases. The wooden cases are designed to protect the generator from external shocks and water during the transportation process.

The packaging of Yuchai Diesel Generator follows international standards. The product will be wrapped with bubble plastic for protection, and then put into the wooden cases. The wooden cases will also be sealed with professional adhesive tape.

The shipping of Yuchai Diesel Generator is also carefully planned. We work with reliable transportation companies to ensure the safe and on-time delivery of the product.

FAQ:
