Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Cooling System: Air/Water
- Noise Level: Low
- Control System: Automatic/Manual
- Type: Mobile Diesel Generator
- Dimension: Customized
- Rated Voltage: 220V/380V/400V/415V/440V
- Certificate: CE/ISO/SGS
- Power Output: 20-100KW
- Highlight: **Electric Mobile Diesel Generator,
ISO9001 Mobile Diesel Generator,
Customized diesel mobile generator**

Product Description

Product Description:

Mobile Diesel Generator

Our **Mobile Diesel Generator** is a reliable and highly efficient power source for demanding applications. It is a robust and durable mobile diesel engine unit that offers a wide range of power output, from 20 to 100KW, with low noise levels. The generator can be started in either electric or manual mode, and supports both single and three phase power.

The Mobile Diesel Generator is designed to withstand rigorous use in any environment. It is built to last, and designed to provide reliable and continuous power with low fuel consumption. It also offers a wide range of features, such as overload protection, manual shut off, and easy maintenance.

Ideal for a variety of applications, the Mobile Diesel Generator can provide power for construction sites, hospitals, factories, and other situations where a reliable and efficient power source is needed.

Features:

Product Name: Mobile Diesel Generator

Warranty: 1 Year

Fuel Type: Diesel

Type: Mobile Diesel Generator

Start Mode: Electric/Manual

Power Output: 20-100KW

We can supply up to 1000 pieces per week. Price is negotiable. If you are looking for mobile diesel generator, mobile diesel power unit or mobile power diesel generator, please contact us today.

Support and Services:

Mobile Diesel Generator Technical Support and Services

Installation guidance and technical support
On-site maintenance and repair services
Troubleshooting and diagnostic service
Replacement parts and components
Regular inspection and maintenance services
Consultation on generator operation and safety
Emergency response and repair services

Packing and Shipping:

Mobile Diesel Generator will be packaged and shipped in the most secure and cost effective way. We use special packaging materials to ensure that the generator is secure and safe during transit. After packing, the generator will be loaded onto a truck or other transport vehicle for its journey to the customer's location.

We use a combination of air and ground transport to ensure that the generator is delivered safely and on time. We have a network of reliable carriers to ensure that the generator reaches its destination without any delay. The carrier will be responsible for unloading the generator from the vehicle and delivering it to the customer's door.

We can also provide custom packaging and shipping solutions for customers with unique requirements. Our team will work with you to find the most cost effective and secure way to deliver your generator.

FAQ:

Q: What is the Brand Name of the Mobile Diesel Generator?

A: The Brand Name of the Mobile Diesel Generator is Minlong.

Q: Where is the Mobile Diesel Generator made?

A: The Mobile Diesel Generator is made in China.

Q: What certifications does the Mobile Diesel Generator have?

A: The Mobile Diesel Generator has ISO9001 certification.

Q: What is the minimum order quantity of the Mobile Diesel Generator?

A: The minimum order quantity of the Mobile Diesel Generator is 1.

Q: How can I pay for the Mobile Diesel Generator?

A: You can pay for the Mobile Diesel Generator with L/C, D/A, D/P, T/T, Western Union, and MoneyGram.
